(+91) 9875417275

anirudha.basuthakur@gmail.com

## Profile Summary

BCA graduate with hands-on experience in full-stack development, including .NET, Java frameworks, Python frameworks, SQL, MongoDB, Node.js, React.js, and Express. Completed multiple freelance and evaluation projects demonstrating strong problem-solving skills, attention to detail, and ability to deliver end-to-end solutions. Eager to contribute as a Junior Software Developer and grow within a dynamic software development team.

## Education

BCA, 2025

Netaji Subhas Engineering College, Kolkata

## Projects

8 Months

Rimberio - Real-estate web application

Developed a full-stack real estate platform that streamlines property discovery, management, and communication between buyers, sellers, and agents. Designed a user-friendly and visually appealing interface that allows users to browse listings, interact with agents, and securely complete transactions—all from a single, integrated platform. Focused on functionality, responsiveness, and seamless user experience to simplify the property search and management process.

3 Months

Foodie Frenzy - Restaurant website

Developed a dynamic restaurant website featuring an interactive admin dashboard for easy management of menu items, orders, and user activity. Implemented a secure payment gateway, an automated delivery system, and a wishlist/cart functionality to enhance the user experience. Integrated a detailed food menu with customer reviews, ensuring a responsive, engaging, and seamless experience across devices.
